

ICS 169A – Fall, 2014 – Student Information Form

Bring to class, printed, at 3:30pm on Thursday, Oct. 2, 2014

My name: Jordan Hua

UCInetID: j1hua

@uci.edu

Name or nickname I'm usually called: _____

Check one:

☒ I am not on a team, please put me on one.

☐ I have a partially formed team, with _____

(and _____), please put us on a team together.

☐ I am part of a team that has a letter name assigned; that letter is _____

My preferences for team role (usually one or more of programmer, artist, designer, producer):

1) Me - Lead Programmer + a designer

2) 1 or 2 other programmers

3) 3D model / Story / Level Artist or Programmer

4) Someone to oversee the project to make sure everybody is working together closely on the project.

+ to work very close with (work with 1-on-1 each day)

My preferences concerning game genre and style:

Game genres & styles I do not want:

Modern Military Shooters (Call of Duty, Battlefield, ARMA, etc)

Zombie games (last of us, Plants vs. Zombies)

Online Multiplayer games, E-Sports (LoL, Battlefield)

Western RPG Games (Skyrim, Mass Effect, Borderlands, etc)

side-scroller games, 2D games, Pixel 2D Games

Game genres I DO WANT:

3D Airplane simulator, Stealth Ninja Game, Japanese games, 3rd Person

My preferences concerning programming languages and game engines:

Game Engines I Like:

unity3D or, Source SDK

DO NOT want there's:

2D game engines, Java,

Programming Languages I want:

C#, Python

HTML, Ogre SDK, C/C++, HTML, Scheme, etc.

Factors impacting my availability for team meetings (for example, work schedule, where I live):

My schedule: I will be heavily using skype, always, no matter where I am or when it is.

My schedule varies a lot day by day. Because of that, I will need to be able to work very closely with 1 or 2 team members every day.

* It is extremely difficult if the 1 person I work with closely is unable to stay with me on campus late at night or can continue working with me either at my apartment or his/her house.

Other information that will help put me on a team:

I need someone who I can work closely with.

⚠ If I am leaving something out that I included

in CS 113's form, please consider these as well.

⚠ Please DO NOT put me in a team with:

- Nathan Stehge

- Jason (the military vet)

- Max. Million Hung

* Alec (Nathan's friend)

- Miles Bonner, Greg Bretall, All of Miles' friends

Alec Dixon

Still debating whether or not I am alright with him. But No Brian
